Commercial Terms

CLAUSES

• Cargo is deemed stackable unless non-stackable handling is explicitly declared, quoted, and confirmed in writing before booking.

TERMS & CONDITIONS

• Subject to carrier availability and BAF/CAF surcharges as published.

NRA CLAUSE

By placing a booking, the shipper accepts the negotiated rate arrangement and all carrier or forwarder terms referenced in this quotation. Confirmed rates apply only to the agreed routing, service mode, commodity profile, cargo dimensions, and booking window stated in the confirmation. Any deviation in shipment data, operational disruption, regulatory action, terminal congestion, or force majeure may result in revised rates and additional pass-through costs, including detention, demurrage, storage, waiting time, penalties, and other origin or destination charges.

OPERATIONAL & FINANCIAL CONDITIONS

- Unless expressly included, destination charges, customs duties, taxes, inspection fees, and authority-imposed surcharges are excluded and remain for consignee or shipper account as applicable.
- Transit schedules are indicative and not guaranteed. Delivery timelines may change due to carrier schedules, port or airport operations, customs clearance, and force majeure events.
